Our services

We are authorised to provide general advice, personal advice and dealing services in the following areas:

- Superannuation and SMSF
- Retirement planning
- Personal risk insurance
- Managed investments
- Securities (direct shares)

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products. If we provide further advice it will be documented in a Record of Advice which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Fees

All fees are payable to Independent Wealth Partners.

Initial Fees

The advice preparation fee includes meeting with you, the time we take to determine our advice and the production of the SoA. It is based on the scope and complexity of advice provided to you. We will agree the fee with you before providing you with advice.

If you decide to proceed with our advice, we may charge an implementation fee for the time we spend assisting you with implementation. We will let you know what the fee will be in the SoA.

Annual Fees

Our annual fees depend on the services that we provide to you. We will typically charge a flat fee for service which is paid monthly and agreed with you at the beginning of each year.

One-Off Fees

In limited circumstances, we may provide one-off services and charge a fee at an hourly rate. This will be discussed with you prior to engagement.

Commissions

We work to avoid conflicts of interest including the receipt of commissions. Where we receive commissions, we will either offset the commission against your fees or (in the case of small amounts) donate the commission to charity. We do not retain any commissions.

Other Benefits

We may receive other benefits from product providers such as training, meals and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Adviser Remuneration

Cameron Howlett and Chris Haggart are the owners of Independent Wealth Services and are remunerated through the profits of the practice.

Andrew Brown is an employee of the practice and is paid a salary.
